CONTRACTOR QUESTIONS AND GOVERNMENT RESPONSES

1. Question: Section L3(b)(1)(i) states that offerors are to provide “All relevant contracts held within the last five (5) years. Contracts may be either commercial or Governmental and should have been for the management of multi-project/multi-discipline construction efforts.” To provide evidence of “multi-project” construction efforts, will AOC consider multiple projects completed under a single ID/IQ provided the scope is similar and the work was done for the same client?

Response: Yes, the Government will consider multiple projects under a single IDIQ as long as each project presented is a stand alone Task Order and/or project and it meets the requirements of the RFP.

2. Question: Can you please confirm that the original Price Schedule on page 3 of the RFP is the correct form to submit with the proposal.

Response: Correct; use the original Page 3 (bid schedule) that was issued on 15 Mar 10.
